ORDER:

In his letter cited the Joint Director of Animal Husbandry has requested for the sanction of a post of Assistant Marketing Officer for the Animal Husbandry Department to assess the marketing side of the Livestock industry from time to time on a sure and scientific basis. In their Order No. 1645 Development dated 5.4.48 the Government sanctioned the proposals of the Director of Agriculture for the reorganisation of the marketing section of the Agricultural Department on a regional basis so as to attend to several items of survey and development work. The Director of Agriculture has stated that it is possible for the makrketing section of his Department to cater also to the needs of the Animal Husbandry Department. The Government do not therefore consider it necessary to sanction a separate post of Assistant Marketing Officer for the Animal Husbandry Department, and direct that the marketing section of the Agricultural Department should cater to the needs of the Animal Husbandry Department and work in close co-ordination with that Department for marketing work relating to Animal Husbandry products.
